

RLX Technology Announces US\$500 Million Share Repurchase Program

BEIJING, Dec. 8, 2021 /PRNewswire/ -- RLX Technology Inc. ("RLX Technology" or the "Company") (NYSE: RLX), a leading branded e-vapor company in China, today announced that its board of directors has authorized a share repurchase program under which the Company may repurchase up to US\$500 million of its shares over a period until December 31, 2023.

The Company's proposed repurchases may be made from time to time on the open market at prevailing market prices, in privately negotiated transactions, in block trades and/or through other legally permissible means, depending on market conditions and in accordance with applicable rules and regulations. The Company's board of directors will review the share repurchase program periodically, and may authorize adjustment of its terms and size. The Company expects to fund the repurchases out of its existing cash balance.

About RLX Technology Inc.

RLX Technology Inc. (NYSE: RLX) is a leading branded e-vapor company in China. The Company leverages its strong in-house technology and product development capabilities and in-depth insights into adult smokers' needs to develop superior e-vapor products. RLX Technology Inc. sells its products through an integrated offline distribution and "branded store plus" retail model tailored to China's e-vapor market.

Safe Harbor Statement

This announcement contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "may," "will," "expect," "anticipate," "aim," "estimate," "intend," "plan," "believe," "is/are likely to," "potential," "continue" and similar statements. Among other things, business outlook and quotations from management in this announcement, as well as the Company's strategic and operational plans, contain forward-looking statements. The Company may also make written or oral forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission, in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including but not limited to statements about the Company's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: the Company's growth strategies; its future business development, results of operations and financial condition; trends and competition in China's e-vapor market; changes in its revenues and certain cost or expense items; PRC governmental policies, laws and regulations relating to the Company's industry, and general economic and business conditions globally and in China and assumptions underlying or related to any of the foregoing. Further information regarding these risks, uncertainties or factors is included in the Company's filings with the U.S. Securities and Exchange Commission. All information provided in this press release and in the attachments is current as of the date of this press release, and the Company does not undertake any obligation to update such information, except as required under applicable law.
